“WHOM SHALL I SEND?”

Isaiah 6:8

A PLANTING OF THE LORD
FOR THE DISPLAY OF HIS SPLENDOR
Isaiah 61:3

What is a Sent One?

The call of God is not for the special few, it is for everyone. Whether or not I hear God's call depends upon the state of my ears; and what I hear depends on my disposition. Many are called, but few are chosen. The chosen ones are those who have come into a relationship with God through Jesus Christ, whereby their disposition has been altered and their ears unstopped, and they hear the still small voice questioning all the time, 'Who will go for us?'

I have not been saved from sin simply so that I qualify for heaven. God delivered me so I would have a relationship with Him so that He could carry out His mission to redeem a lost world.

**“And how can they hear without someone preaching to them?”
(Rom. 10:13-15)**

Yes, there must be a “preacher” - the missionary—the sent one.

What is a medical mission trip?

Our purpose is to provide medical care to students and teachers of local schools and orphanages who do not have access to medical help. We use lay people to do some of the non-medical aspects of assessment like height, weight, and temperature. Doctors and nurses provide actual medical treatment, working alongside Dr. Steve James, a Haitian doctor. Of equally importance is to provide spiritual encouragement and guidance to those being ministered to physically by the medical team

We are a TEAM, and we function as a TEAM always. Every team consist of about 10 members, and every team sent will have experienced members participating. We are on the mission field for 7-10 days working with already established mission ministries in Haiti. Each of these ministries

“AND WHO WILL GO FOR US?”

Isaiah 6:8

provide room and board while we are in Haiti. We meet in Satellite Beach, FL, travel to Fort Pierce, FL and use Missionary Flights International (MFI) for air transportation. We provide all necessary medical equipment (blood pressure cuffs, stethoscopes, scrubs) and medications. You simply bring your personal luggage. We are met in Haiti by members of the local mission and proceed by van to our “home away from home”. There are beds, showers, a kitchen for meals, and an open compound for Bible study and fellowship.

Each day we set up our clinic and see children, staff, and community as the Lord sends our way. We collect vital statistics on each person, including height, weight, blood pressure and assess their complaints. After documentation, we prescribe medication for their needs and the pharmacy dispenses the medications prescribed

Station assignments are made based on your area of expertise. (specific instructions for each station is covered in our meetings)

During the week we support the missionaries and staff in any way necessary: evangelism, acts of service, maintenance support, construction, etc. We actively participate in local church services and outreach events throughout the week as the Lord leads the team. Evenings are filled with food, fellowship and quiet time with the Lord.

In preparation for the trip, we have included 6 mandatory monthly meetings. As part of these meetings we will study the book of Ephesians together as spiritual preparation is our priority; we will cover everything you will need to do, take, study, and pay, as well as a detailed calendar of meetings and deadlines. We will introduce you to the customs, religion, and the language of Haiti.

What is the next step?

Only the power of God can free us from our self-centeredness and re-orient us to the mission of God. Is your heart so filled with God’s love that you are watching for the first opportunity to say “Here am I. Send me”? Are you letting the Spirit of God bring you face to face with Him, so you too can hear the still small voice of God and in perfect freedom say, “Here am I. Send me”?

Please pray about being part of a team. If God has called you—know first that He is faithful beyond your doubts and fears. He will be there with you.

**The scrubs are waiting for you
as are the people of Haiti.**
